Sir,

I have the honour to state that the right of collecting toll at the marginally noted District Fund toll-gates during the year 1929-30 was sold in June 29 and the -- bids offerred are noted against each. As the bids as compared -- with the realizations of the previous year were considered low it was decided to run the two gates departmentally for 3 months as an experimental measure. The marginally noted establishment costing Rs 105/- is necessary for running each of the gates for a period of three months. The District Board have approved of the above proposal and have resolved at their meeting held on 27th and 28th June 1929 that the cost of the establishment viz. Rs 210/- be met out of the closing balance. A copy of the resolution of the Board is enclosed for perusal. The establishment has been entertained from 1st July 1929 pending sanction of Government.
